

Poster session

10 June 2015

12:45–14:00

Blicharska Malgorzata (*Swedish Biodiversity Centre*)

- Conflict in the protection and management of the Polish Białowieża Forest

Bredin Yennie K. (*Norwegian Institute for Nature Research*)

- The good, the bad, and the arguments – Contested wildland management in Norway

Daniels Silvie, **Witters** Nele, **Beliën** Tim, **Vrancken** Kristof, **Vangronsveld** Jaco, and **Van Passel** Steven
(*Hasselt University, Centre for Environmental Sciences, Belgium*)

- Methodological Approach for the Valuation of Biodiversity. Case study: valuation of natural predators for biological pest control in pear production, Flanders

Dedeurwaerdere Tom, **Hagens** Janneke, **Admiraal** Jeroen , **Beringer** Almut, **Bonaiuto** Flavia,
Cicero Lavinia, **Fernandez-Wulff** Paula, **Hiedanpää** Juha, **Knights** Paul, **Melindi** Paolo, **Popa** Florin,
Šilc Urban, **Soethe** Nathalie, **Soininen** Tina, **van Esch** Willem , and **Vivero Pol** Jose Luis
(*Université catholique de Louvain, Belgium – BIOMOT Team*)

- Groups in action for nature. Motivations and autonomy

Frison Christine (*Université catholique de Louvain, Belgium*)

- Planting the Commons: Towards Redesigning an Equitable Seed Exchange

Györgyi Bela , **Fabók** Veronika, **Balázs** Bálint, **Kovács** Eszter , **Pataki** György, and **Kelemen** Eszter
(*Environmental Social Science Research Group, Szent István University, Hungary*)

- Arguing for implementation of Natura 2000 in Hungary

Geamănă Nicoleta, **Cosor** Georgia, **Bucur** Magdalena, **Stanciu** Adina, and **Vădineanu** Angheluță
(*Research Center in Systems Ecology and Sustainability, University of Bucharest, Romania*)

- Arguing for effective biodiversity conservation in the lower Danube Catchment, Romania

Harrison Paula, **Berry** Pam, and **Smith** Alison (*Environmental Change Institute, University of Oxford*)

- Evidence for the value of biodiversity, and what it means to decision-makers

Poster session

10 June 2015

12:45–14:00

Hendriks Kees, Coninx Ingrid, Bugter Rob, and Bogers Marion (*Alterra Wageningen – Radboud University, The Netherlands*)

- Progress needs Participation - Argumentation for Natura 2000 in The Netherlands

O'Neill John¹, **Wossink Ada**², **Knights Paul**¹ and **Admiraal Jeroen**³ (⁽¹⁾*Philosophy, School of Social Sciences, The University of Manchester*; ⁽²⁾*Economics, School of Social Sciences, The University of Manchester*; ⁽³⁾*Conservation Biology, Institute of Environmental Sciences, Leiden University*)

- An Overview of BIOMOT Work Package 1

Polajnar Horvat Katarina (*Anton Melik Geographical institute ZRC SAZU*)

- The Role of Social and Psychological factors in Developing Environmental Awareness and Changing Environmental Behaviour

Polajnar Horvat Katarina & Smrekar Aleš (*Anton Melik Geographical institute ZRC SAZU*)

- Segmentation of consumers with regard to environmental issues

Rode Julian, Le Menestrel Marc and Cornelissen Gert (*Center for Environmental Research – UFZ Leipzig, Universitat Pompeu Fabra, Barcelona*)

- Can monetary valuation undermine nature conservation? Evidence from a decision experiment

Tchiboza, Séverin¹, **Mergen Patricia**², **Degreef Jérôme**³, **Maniacky Jacky**², **Devos Maud**² (⁽¹⁾*Centre de Recherche pour la Gestion de la Biodiversité (CRGB), Cotonou, Bénin*; ⁽²⁾*Royal Museum for Central Africa (RMCA), Belgium*; ⁽³⁾*Botanic Garden Meise (BGM), Belgium*)

- Importance of Non-timber forest products (NTFPs) for Biodiversity Conservation and Ecosystem Services in Africa.

Van Herzele Ann⁽¹⁾, **Aarts Noelle**⁽²⁾ & **Casaer Jim**⁽¹⁾ (⁽¹⁾*Research Institute for Nature and Forest (INBO)*; ⁽²⁾*Wareningen University, Strategic Communication*)

- To protect or to kill? Polarising dynamics of public debate on foxes and wild boar in Flanders
-
