Tom Dedeurwaerdere is professor at the Faculty of Philosophy of the *Université catholique de Louvain* (Louvain-la-Neuve, Belgium) and Director of Research of the Biodiversity Governance Unit at the Centre for the Philosophy of Law.

His research interests include transition theory, governance of biodiversity and ecosystem services and transdisciplinary research methodology. His main research focus is on the institutional analysis of the governance of the global environmental commons and the global knowledge commons.

January 2012 – December 2014

- Governing Global Science Commons. Incentive Grant for Scientific Research . (FNRS)
- INVALUABLE. Integrating Valuations, Markets and Policies for Biodiversity and Ecosystem Services. Financed by the Belgian Science Policy (Belspo).

April 2012 – December 2013

- FP7-PEOPLE-2011-ITN project "Marie Curie" - IPOD cofund.

December 2011 – March 2013

- Impact assessment of the implementation in Belgium of the Nagoya Protocol. SPF Financed by the Belgian Ministry of Public Health and Environment

October 2011 – September 2016

- Principal Investigator (PI) of European Research Council (ERC) starting grant “GENCOMMONS”.

September 2011 – August 2015

- Principal Investigator (PI) in the FP7-ENV-2011 project “BIOMOT”, coordinated by the Radboud University Nijmegen (RU).

May 2009 – April 2014

- Partner institution in the EU FP7 Large-Scale Collaborative Project “LowInput Breeds”, coordinated by University of Newcastle.

2010 – 2011

- In charge of the study on "Access and benefit-sharing for genetic resources for food and agriculture - Current use and exchange practices, commonalities, differences and user community needs" (LOA with the Commission on Genetic Resources of FAO).

September 2007 – August 2010

- Partner institution in EU FP6 thematic network “COMMUNIA”, coordinated by Politecnico di Torino.

2007 – 2012

- Direction of the Biodiversity governance unit of the inter-university network

“Democratic Governance and reflexive theory of collective action” (IUAP VI-06), coordinated by the CPDR and financed by the Belgian Science Policy (Belspo).

January 2006 – July 2006

- In charge of the federal inquiry « Analyse du degré de connaissance et de prise en compte par les acteurs belges des dispositions de la Convention sur Diversité Biologique en matière d'accès aux ressources génétiques et de partage juste et équitable des avantages résultant de leur utilisation ». (SPF Santé publique, sécurité alimentaire et environnement)

2005 – 2010

- Direction of European research network on Global Public Goods ; subnetwork of Refgov integrated project (RTD FP6 CIT3-513420 REFGOV), coordinated by the CPDR.

January 2003 - March 2004

CPDR, UCL

- In charge of the sub-network “Biodiversity and reflexive governance ” of the thematic network “The collective learning as a contribution to democratic governance” co-ordinated by the CPDR and financed by the 5th European Framework Program; organization, with the collaboration of FORUM (University Paris X), the WZB (Berlin) and the GELENA research group (University of Oldenburg), of two international workshops devoted to “The analysis of innovative institutional arrangements for the governance of biogenetic resources” (overview of the program and the participants available at <http://www.uclouvain.be/cpdr.html>).

2002 – 2006

CPDR, UCL

- Co-organisation of the CPDR permanent workshop on “How to evaluate the normative choices of international institutions of regulation?” of the philosophy Cell of the CPDR (prof. Marc Maesschalck and prof. A. Van de Putte) (overview of the program and the participants available at <http://www.uclouvain.be/cpdr.html>).
- Direction of the “Biodiversity Governance” Unit of the project “Theory of the norm and democratic governance” coordinated by the CPDR within the framework of IAPV financed by the Belgian Science Policy (Belspo).

February 2002 – July 2004

CPDR, UCL

- In charge of the research unit “Sustainability Assessment of Trade Agreements and New Approaches to Governance” in the framework of the SUSTRA Network (For an overview of the program and the workshops cf. <http://www.agro-montpellier.fr/sustra/>).

ORGANISATION OF INTERNATIONAL CONFERENCES

- **20th -22nd October 2016:** "Forum de co-création pour la transition écologique et sociale", Louvain-la-Neuve, Belgique (ULC-LPTransition.)
[<http://lptransition.uclouvain.be/news-events.html>]
- **28-29 April 2016 :** "Motivations and arguments to act for biodiversity. Alternative ways to inspire innovative policy making"- Brussels.
[<http://biogov.uclouvain.be/Besafe-Biomot-Conference-June2015>] Funding EU FP7 projects BESAFE and BIOMOT, and FNRS
- **10-11 June 2015:** international conference on "Motivations and arguments to act for biodiversity .Alternative ways to inspire innovative policy making", Brussels. Funding EU FP7 projects BESAFE and BIOMOT, and FNRS.

<http://biogov.uclouvain.be/Besafe-Biomot-Conference-June2015>

- **5-7 September 2014:** IASC 2nd thematic conference on knowledge commons: "Governing Pooled Knowledge Resources with special attention to the fields of medicine and the environment", New York <http://www.iasc-commons.org/conferences/thematic/2014-2nd-thematic-conference-knowledge-commons>
- **24-25 March 2014:** "Beyond economic valuation. Alternative ways to express the value of biodiversity in science and policy", Brussels. Funding EU FP7 project BIOMOT. <http://www.biomotivation.eu/conference2014>
- **12-14 September 2012:** IASC 1st thematic conference on the global knowledge commons: "Building Institutions for Sustainable Scientific, Cultural and genetic Resources Commons", Louvain-la-Neuve (Belgium). [IASC 1st global thematic conference on the global knowledge commons](http://www.iasc-commons.org/conferences/thematic/2012-1st-thematic-conference-global-knowledge-commons)

- **12-13 June 2008:** "Microbial Commons", Funding IAUP and FNRS, Ghent (Belgium). <http://www.microbialcommons.ugent.be/>
- **4-8 February 2008:** "Which Governance for Which Environment? Institutions, social preferences and knowledge for governing environmental issues, Institut Scientifique de Cargese (Corsica).
- **24-25 May 2007:** "The reflexive Governance of Global Public Goods", Stream 7 of the 2007 Amsterdam Conference on the Human Dimensions of Global Environmental Change. Funding REFGOV (EU intergrated project), CNRS.
- **15-16 July 2006:** « Institutions for providing global en managing the uncertainly, complexity and change in the field of biodiversity and climate change », Louvain-la-Neuve (Belgium). <http://biogov.cpdr.ucl.ac.be/bioinstitut/>
- **7-8 July 2005:** « Exploring and exploiting microbiological commons: contributions of bio-informatics and intellectual property rights in sharing biological information». <http://biogov.cpdr.ucl.ac.be/bioinf/>
- **5-6 February 2004:** « Governance of biodiversity as a global public good: bioprospecting, intellectual property rights and traditional knowledge ». <http://biogov.cpdr.ucl.ac.be/ipr/>
- **27-28 March 2003:** « Sustainability Impact Assessment of Trade Agreements and New Approaches to Governance ». http://biogov.cpdr.ucl.ac.be/workshop_program.php

From February 2005

OTHER RESEARCH NETWORKS

- Collaboration with the MOSAICS Network. Collaborative Research Project on « the bundle of rights for microbiological resources ».

From December 2004

- UNESCO Research Mission on network governance. Collaborative research established by the biodiversity research unit at CPDR and the MIRCENS directors for a case study on the MIRCEN network.

From November 2004

- The ABS Governance Program. Collaborative research and outreach program established by the Biodiplomacy Initiative at UNI-IAS, IDDRI and the biodiversity research unit at CPDR to provide the opportunity for reflection and debate on cutting edge issues relating to international ABS governance in an informal setting.

From September 2004

- Member of the European Biological Resources Platform. Coordination of pilot projects on integrated database management with University of Ghent (Prof. J. Swings) and UCL (Prof. H. Maraite).

From May 2004

- Member of the GRPI research group (Governance, regulations and power on the Internet, dir. Prof. E. Brousseau, Univ. Paris X).

EVALUATION COMMITTEE

From 2005: **Reviewer:**

- Ecological Economics Ecology and society Biodiversity and Conservation

2002 – 2003: **Appraiser:**

- Conseil de recherches en sciences humaines du Canada

From 2008: EU Commission - **Research evaluation:**

- DG Information Society and Media, FP7 e-infrastructure program, Project Vibrant (n 261532), Project PESI (2008-2011) : reviews of 2nd of July 2009; 14th of October 2010; 16th of June 2010; 19th November 2010; 7th June 2011;
- DG Information Society and Media, FP7 e-infrastructure program, Project Vibrant (n 261532): review of 31st January 2012.

SUPERVISION

Supervision of Phd Theses:

- Promotor (with Prof. Olivier De Schutter) of the thesis of Paula Fernández-Wulff, "Food Democracy: Promoting Social Innovation and Community Empowerment for the Transition towards Sustainable Food Systems" (since December 2014).
- Promotor (with Prof. Hervé Jeanmart) of the thesis of Hadelin de Beer, "Quelles représentations du développement durable et de design politique mènent à des outputs de qualité ? Etude de cas à la sécurité d'approvisionnement énergétique" (since November 2014).
- Promotor (with Prof. Tom Delreux) of the thesis of Brendan Coolsaet, "Farming Justice. Rights-based approaches to collective agrobiodiversity conservation" (2012-2016, Phd defended on 29/11/2016).
- Promotor (with Prof. Olivier De Schutter) of the thesis of Christine Frison, "Towards Redesigning the Plant Commons" (2010-2016, Phd defended on 10/10/2016).
- Promotor of the thesis of Mathieu Guillermin, "A study of the relations between theories application contexts and paradigmatic choices: from quantum physics to environmental risk theory" (2012-2016, Phd defended on 27/04/2016).
- Promotor (with Prof. Olivier De Schutter) of the thesis of Fulya Batur, "Agrobiodiversity conservation and plant improvement: Adjustments in intellectual property rights reclaiming the public domain towards sustainability and equity" (2008-2014, Phd defended in 09/2014).

- Promotor (with prof. Ph. Goujon) of the thesis of Benjamin Six, "Gouvernance et Confiance" (2005-2009).
- Advisor (promotor Unai Pascual, University of Cambridge) for the thesis of Per Stromberg (2004-2008).
- Thesis committee_of: Nicolas Brahy (UCL, Phd defended 09/2006), Anne Lauvie (AgroParisTech, Phd defended 12/2006), Dossou Yovo Bonaventure (ULiège, Phd defended 12/2006), Heather Ritch (Duke Law School, Phd defended 2009), Oleg Bernaz (UCL, Phd defended 22/09/2015).

Supervision committees of Phd's:

- José-Luis Vivero Pol, "Food as a Common" (since February 2012), promotors Olivier De Schutter and Philippe Baret
- Charlotte de Callataÿ, " Eau : quels régimes de propriété et de gouvernance pour cette ressource essentielle ? Analyse du droit international et européen et des régimes institutionnels de l'eau douce" (since October 2016) promotor Olivier De Schutter (supervision committee: Tom Dedeurwaerdere)

Promotor of Master thesis, department of philosophy, UCL:

- Juvenal Ndayambaje, "Les conséquences de la rationalité limitée sur la théorie critique à partir de James Bohman" (defended Sept 2009).
- Lionel Casterman, "Une lecture épistémologique de James : pour une épistémologie vérificationniste non-physicaliste".
- Alexis Jurdant, "Société de l'information et gouvernance réflexive", defended 09/2008
